

Kherwadi Social Welfare Association's new App, Yuva ENGAGE, offers hand holding to grass root level NGOs and social initiatives. It aims to improve the social impact of the NGO to its beneficiaries as well as help grow the NGO in its area of operations.

Yuva ENGAGE online academy offers a blended eco-system where NGOs can have access to all the resources to prepare themselves to be funding ready. The online content covers entry-level topics like how to set up an NGO, maintain necessary documentation as well as higher order topics like writing proposals for raising funds, budgeting and compliance, people management skills among others.

Yuva ENGAGE online academy has four modules as follows:

Yuva ENGAGE App

Learning Videos

Access to live and recorded audio and video on several foundational topics

Mentoring

One on one mentoring for NGOs for guidance on operational issues

Donor Connect

Easy for NGOs to connect to potential donors and vice versa

Networking

Connect, network and collaborate with similar organizations
